“

The Boys & Girls Club isn't just a place; it's where I discovered resilience, leadership, and a community that believes in me.

2024 Youth of the Year

As I reflect on my journey at the Boys & Girls Club of Santa Clarita Valley, I am deeply honored to be the Youth of the Year. Over the past five years, I've grown immensely and witnessed firsthand the impact of our community's support.

Despite facing challenges early in life, I've embraced resilience and leadership at the Club. Serving as President of both the Leaders in Training and Keystone Club, I've learned the importance of dedication and service. Initiatives like the River Rally and projects benefiting children with disabilities have fueled my passion for making a positive difference.

Beyond the projects, the Club has provided me with invaluable friendships and connections. The friendships and memories, forged within these walls, will last a lifetime.

The love, stability, and support of the Boys & Girls Club has given me the foundation for my personal growth as I plan to pursue a career in veterinary science.

The Club Experience

As we celebrate a year of impact we invite you to reflect with us on highlights and achievements from the year. In 2023, we added five new afterschool sites, expanded our STEM program, and ramped up our social emotional wellness programs and services to help fill a critical gap for the youth in our community. As we look to the future we are committed to deepening our impact, building resilient empowered youth who will become the leaders, innovators, and change-makers of tomorrow. Together we will make a lasting impact in the lives of Santa Clarita Valley's children and teens.
